

Why sponsor the Boon Project?

The Boon Project is the only non-profit in the Charleston area specifically supporting local young adults facing cancer between the ages of 18-40(ish), regardless of cancer type or stage. The Boon Project aims to support the unique psychosocial needs of this underserved demographic and their families. All of our programs are no cost for those we serve.

Programs We Offer

Courage Club

The Courage Club provides online support and free monthly gatherings for young adults facing cancer in Charleston to help combat feelings of isolation and depression common in young adults facing cancer. Events in 2025 included Beyond Monet & VanGogh Experience, private ice skating session, candle making class, pottery painting, group dinners, family holiday party, and more!

The Boon Project also offers Meta Meet-Up, a subgroup for those with Stage 4 or chronic cancer, which meets quarterly. Our meta meet-up dinners are private gatherings where our thrivers can share and encourage others on a similar road.

Fitness Force

Our Fitness Force helps survivors "Find Your Fit" after a cancer diagnosis. Because we know that exercise, diet, and overall wellness help reduce longterm side effects and risks of recurrence, our Fitness Force program promotes wellness initiatives through a challenge based program. In addition to ongoing wellness challenges and group workouts such as Pilates classes, in 2025 our team of nearly 20 survivors and supported trained for and completed the Cooper River Bridge Run!

Patient Support

The Patient Support program offers various resources such as Boon Bags, Financial Assistance Grants, and access to a volunteer nurse guide for young adults with cancer. Boon Bags, available through local partner oncology offices or in person at a Courage Club event, contain essential resources and comfort items. Our Financial Assistance program has granted over \$60,000 in financial aid to local young adults impacted by cancer.

The Boon Project continues to meet the needs of those we serve because of our generous community of supporters. Our support community includes **personal giving, fundraising, and sponsorship!**
